## Busy Agenda For Job's Bethel 36

July was a busy month for members of Bethel 36, International Order of Job's Daughters.

Mrs. Wilma Van Fossen, deputy grand guardian to the State of California, made her official visit to the Bethel, and was honored at a luncheon and initiation meeting.

Luncheon for 65 guests was served before the meeting by Mrs. Florence Dowden, hospitality chairman, and her committee. Mrs. Van Fossen and the five initiates were presented with corsages for the occasion.

Misses Laurie Benedict, Denise Holmes, Pamela Little, Linda Miller, and Donna Richmond were initiated into the Bethel.

The Bethel recently attended the annual Job's Daughter's picnic sponsored by the Southern California Guardian Council Association. The picnic was held at Southgate Park from 9:30 a.m. to 4 p.m., with over 3,000 in attendance. Forty bethels competed in a table decorations contest, with the theme "Meet Me at the Fair". Bethel 36 won sixth place honorable mention. The picnic was attended by 93 members and friends of the Bethel.

Finishing a busy month, the Bethel members attended the Annual Shrine Football game at the Los Angeles Coliseum and a Queen's theater party to see "Gone With The Wind".

Buffalo. She has been on the USC medical faculty since 1943. Prior to that, she was associated with the Montefiore Hospital and Cornell University Medical College. She is one of the few women of her profession to be elected a fellow of the American College of Physicians, the honorary society for physicians.

Dr. Marmorston was also honored in 1960 by a metropolitan newspaper as its "Woman of the Year in Medicine." This was in recognition of her year's work as an endocrinologist in scientific laboratory research on the possible relationship between hormones and heart attacks and strokes.

She is active in raising the standards of medical practice and in efforts to provide support for young doctors to do research before going into medical practice.

Because she owes her own medical training to the help she received from a federation of women's clubs in Buffalo, Dr. Marmorston is always interested in helping young people to go to medical school. In private life, Dr. Marmorston is the wife of Lawrence Weingarten, who has been an executive producer at Metro-Goldwyn-Mayer for over 30 years. She is the mother of three daughters, Lailee, Elizabeth, and Norma.

An invitation is extended to all women and men of the area to attend. Social hour will be 6:30 p.m. and dinner at 7:30 p.m. Reservations can be made by contacting Mrs. Pat Driscoll.
